

Celgreen

Made from modal, Celgreen is silky smooth and shiny.

This fabric is woven with a unique spun yarn and finished using a special process. It has long been a favorite of those seeking the highest-quality fabric.

Shikibo Ltd. is a leading company that exports thob fabrics to Middle Eastern countries. Over the last 40 years since our entry into the market in the 1980s, we have enjoyed an outstanding reputation. The name Shikibo has become synonymous with high quality, and our iconic mermaid logo is widely recognized in the UAE and other Middle Eastern countries.

Now, the made-in-Japan textiles are of high-end quality in the Middle Eastern market.

Most of these exclusive textiles are made at Shikibo Konan, a central Shikibo factory in Aichi Prefecture, Japan.

- Substantial (resilient) yet drapes perfectly to create a beautiful silhouette
- Less likely to wrinkle
- Soft and comfortable on the skin
- Quick drying (dries quickly after washing)
- Made in Japan with advanced technology to ensure the highest quality and consistent colors
