

THE FUTURE IS MADE FROM  
OUR CURRENT ACTIONS.

# RECYCLE ~SAISEI~

It can be revived as yarn again using the cutting surplus fabric or recycle wear.  
This is a recycling system that we create together with you.

## ABOUT RECYCLING SYSTEMS

Please let us know about the materials and quantities.

### REGENERATE

We use this machine to regenerate.

### RECYCLE FIBER

The cutting surplus fabric become as a spinning fiber again.

### YARN

We provide original recycled yarn.
